PRESENT POSITION

Reed performs financial analysis, research, report preparation, business valuation, litigation support, and advisory services for public and privately-held companies. He has assisted in the valuation of numerous business enterprises spanning multiple industries and methodologies. Reed has acquired particular expertise in gift and estate tax planning, financial reporting, litigation, and mergers and acquisitions. He has also gained a great deal of experience working with many different business entity structures, including pass-through entities such as Limited Liability Companies, Partnerships, Limited Partnerships, and S- and C-Corporations.

Reed is currently enrolled in the American Society of Appraisers' Principle of Valuation courses in Business Valuation and is working towards earning the Accredited Senior Appraiser professional designation.

AFFILIATIONS/CERTIFICATIONS

- CPA - Certified Public Accountant with the American Institute of Certified Public Accountants
